

WELCOME TO OUR VILLA

GUEST INFORMATION & CARE MANUAL

A WARM WELCOME TO OUR HOME

We are absolutely delighted to open the doors of our beautifully built house to you and your family. This property is incredibly special to us—it was designed and crafted with immense love and care. When we welcome guests, we choose not to look at it just as a financial transaction. That is why we take the time to personally speak with you before your arrival, making every heartfelt effort to ensure your stay is as exceptionally comfortable and seamless as possible.

Whether your reservation is for a single day or an extended stay of 3 to 5 days like the majority of our guests, our philosophy remains exactly the same. We know your time here is limited and precious, and we strive with equal dedication to maximize your comfort, peace of mind, and overall experience during every hour you spend under our roof.

In return, we hope your family takes care of this property as if it were your own. We trust that you will treat our home with the same respect, mindfulness, and tenderness that you show your own house.

Here to Assist You: If you ever have any doubts, local questions, or immediate needs, **Raman** is fully available on-site to assist you. Raman is dedicated to looking after your requirements and ensuring you have a thoroughly wonderful stay.

EMBRACING THE HUMAN ELEMENT

We believe in setting transparent and honest expectations. The truth is, no accommodation is perfect, and no stay is entirely without variables because we are all humans. During your time here, there may be rare moments driven by factors completely beyond our control—such as sudden changes in local weather, city-wide power outages, or regional limitations on Wi-Fi speeds.

While we cannot govern external circumstances, you can rest assured that if a situation is within our control, we will move mountains to make your travel as pleasant and comfortable as possible.

SIMPLE CHECKOUT PROCEDURES

We want your departure to be completely stress-free. Please follow these simple guidelines when preparing to check out via our online booking portals and channel partners:

- **Linens & Bedding:** Please leave all bed sheets, blankets, and pillow covers exactly as they are on the beds. You do *not* need to pull them off or place them in the bins.
- **Bath Towels:** Kindly gather only the used bath towels and place them inside the designated wash bin.
- **Kitchen Sink:** Please do not leave the kitchen sink messy or piled up with plates and vessels. They just need to be rinsed out quickly so food particles don't settle; you do *not* have to deep clean.
- **General Trash:** Please collect general waste and ensure it is disposed of inside the primary trash bins.
- **Sanitary Disposal:** For health and hygiene, please ensure all sanitary napkins and diapers are securely wrapped and placed exclusively inside the designated bins located outside the kitchen area.

Please Note: If the kitchen requires extensive attention or heavy post-departure cleaning, a standard cleaning fee of **Rs. 350** will be applied. Alternatively, if you prefer, you may discuss this with our on-site staff during your stay to handle it mutually.

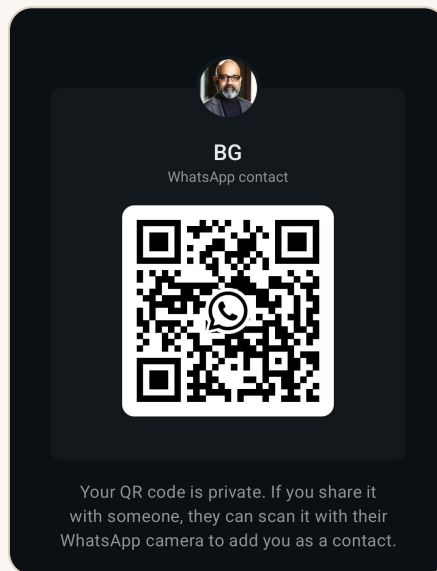

THE CRITICAL VALUE OF YOUR FEEDBACK

As an independent premium property, our visibility across online channels depends entirely on our reviews. We work hard to ensure we get a true **5-Star experience** with all guests, unless something genuinely catastrophic happened to deserve a 4-star mark. We actively work to maintain an average stay rating above **4.92**. Because of channel platform mathematics, any 4-star review averages out to bring us significantly closer to a 4 than our hard-earned true average. If you enjoyed your stay, receiving your 5-star validation is deeply important to us.

Just as guests rely on reviews to choose their sanctuary, please know that **we also maintain an internal review rating for each of our guests** across our channel partner ecosystems. Mutual respect builds a beautiful global community of travelers.

It takes just 2 minutes of your time, but those 2 minutes make the entire villa team (both front-office and back-office) very proud. We look forward to guest appreciation, and it brings our team immense joy when you take home lifelong memories.

Gratuity & Appreciation: While never expected, tips are always deeply appreciated. It is a wonderful human touch of appreciation that means a lot to our hardworking team, though it is completely optional and never a must. If you feel our staff made your stay special, any gesture is very welcome!

EXPLORING GURUVAYUR

LOCAL ATTRACTIONS & EXPERIENCES

Guruvayur is a land steeped in deep spiritual heritage, ancient traditions, and vibrant natural landscapes. To make your family trip truly fulfilling, we recommend exploring these iconic attractions situated just moments away from our villa:

1. Sree Krishna Temple (Guruvayur Temple)

Known as the "Bhooloka Vaikunda" (Holy Abode of Vishnu on Earth), this historic temple is the spiritual heart of Kerala. Thousands gather daily to glimpse the majestic four-armed deity of Lord Krishna. The serene atmosphere, filled with devotional chants and traditional oil lamps, provides an unforgettable spiritual experience.

2. Mammiyur Mahadeva Kshetram

Located within walking distance from the main temple, a pilgrimage to Guruvayur is traditionally considered complete only after visiting this ancient Shiva temple. It features powerful energies and striking traditional Kerala architecture.

3. Punnathur Kotta (Anakkotta / Elephant Sanctuary)

A unique 10-acre palace ground that serves as the sanctuary for over 40 to 50 majestic elephants belonging to the Guruvayur Temple. Witnessing these gentle giants being fed, bathed, and trained by their mahouts is an absolute delight for children and families alike.

4. Chavakkad Beach & Azhimukham

For a peaceful evening in nature, Chavakkad Beach offers golden sands, towering coconut groves, and a beautiful sunset view. Nearby, you can witness the rare 'Azhimukham'—the dramatic confluence where the serene river flows into the vast Arabian Sea.

5. Parthasarathy Temple & Statues

Famous for its beautiful shrine dedicated to Lord Krishna in his role as the divine charioteer (Parthasarathy) to Arjuna. The temple grounds feature a stunning, giant concrete chariot statue that provides a wonderful cultural photo opportunity.

BESPOKE CUSTOM CONCIERGE & CURATION

Whether you wish to completely immerse your family in sacred temples, reconnect with untouched nature, experience traditional art forms, or simply take time to rejuvenate your health, we are here to craft your journey.
